

# N84 Realignment Scheme

## AT A GLANCE

### PROJECT NAME

- N84 Realignment Scheme

### PROJECT LOCATION

- Headford, Co Galway

### MAIN CONTRACTOR

- PJ Carey (Contractors) Ltd

### SUPPLIER

- McGraths Limestone (Cong) Ltd

## OBJECTIVES

- Improve the safety of the road transport system
- Consistent standard of road alignment
- Reduced risk of crashes
- Better traffic flow
- Help achieve the objectives of the Government's Road Safety Strategy
- Contribute to sustainable transport policies

## SCOPE OF WORK

McGraths Limestone Cong Ltd carried out

- Construction of approx. 4.5km of standard carriageway
  - 2 x 3.65m Carriageways
  - 2 x 2.50m Hard Shoulders

The road improvement section involved road widening and realignment and an off line section of approx. 1.9km.

The scheme also involved the modification and realignment of 3 NR Local Road Junctions and 2 NR New Junctions.

McGraths also completed Accommodation Works, Field Entrances and Farm Access Roads.
